—Director's Notes—

In our final performance of the year, the Chorus will demonstrate its mastery of a number of challenging musical skills. These include: singing on a Latin Text, vocal improvisation, blues, dance, composition, guitar playing, conducting, and solo performance in addition to the usual choral challenges of pitch, rhythm, phrasing, breath and balance. I am immensely proud of this year's chorus. I will miss my 8th graders. I look forward to preparing our rising 8th and 7th graders for next year. Until then...balance and keep breathing!
